

The background image shows two women walking outdoors on a paved path. The woman on the left is younger, with dark hair in a ponytail, wearing an orange t-shirt and blue jeans. The woman on the right is older, wearing sunglasses, a white patterned polo shirt, and blue jeans, and is holding a white cane. A golden retriever is walking alongside them. In the background, there are green plants and a building. A large yellow circle is overlaid on the image, containing the title and reference code. In the bottom right corner, there is a graphic element consisting of a yellow circle with a black eye icon, surrounded by colorful curved lines in purple, pink, green, and orange.

About the Eye Clinic Liaison Officer (ECLO)

The role of an ECLO is to develop sight loss services within the hospital and be available to meet with patients and carers who require information regarding sight loss diagnosis, treatment and support.

The Eye Clinic Liaison Officer at the Royal Liverpool Hospital is Corinna Swift, her office is located within St Paul's Outpatient Department. Corinna is in attendance Monday to Friday 10am - 4pm and can also be contact on:

Telephone Number:
0151 706 3995

Textphone Number:
18001 0151 706 3995

The ECLO provides:

- ◆ Emotional support
- ◆ Information and advice about living with sight loss and maintaining independence.
- ◆ Details of aids and equipment.
- ◆ Advice regarding benefits and concessions and onward referrals.
- ◆ Information relating to eye conditions.
- ◆ Referral to other services such as local societies for people with sight loss.

A few words of helpful advice can often make a difficult situation easier to cope with.

The ECLO also provides sight loss awareness training for staff and works in collaboration with key teams and departments within the Trust.
