Options for Continued Exercise Following Completion of Phase III Cardiac Rehabilitation

Cardiology Directorate

Royal Liverpool Hospital and Broadgreen Hospital

PIF 1288/V2

Phase IV - Liverpool - Requires a referral from Phase III. A weekly supervised cardiac exercise class led by BACR qualified instructors held in leisure centres.

Exercise for Health - Liverpool - Requires a referral from your family doctor (GP) £7.50 for 24 sessions held in leisure centres. Led by instructors offering a gym programme and swimming.

Phase IV - Knowsley - Requires a referral from Phase III. A weekly class held in either Huyton or Halewood leisure centres. Led by an instructor using gym/circuit exercise £1.75 per class.

Activity for Life - Knowsley - Requires a referral from your GP. Free of charge for 12 weeks. Held in either Huyton or Halewood Lesiure Centres. Led by an instructor offering gym, Tai Chi, walks, swimming and exercise to music.

Walking Group at Phase III - A once weekly supervised walk for all abilities as part of your Phase III programme.

Cycling Group - A once weekly supervised cycle, suitable for all abilities. All equipment provided. Requires a referral from Phase III.

Walk for Health - Liverpool - Free weekly, supervised walks. Takes place in North Central and South Liverpool.

Independent Exercises - Do your own thing! Take advantage of the expert advice given by the exercise team.

There are other forms of exercise schemes in other areas i.e. Sefton, St Helens and Halton. On completion of Phase III, all options will be discussed with you depending upon where you live, your lifestyle, likes and dislikes - an appropriate arrangement will be made for you.
