Patient information

Coronary Care Unit (CCU)
Information for Visitors

Cardiology Directorate

Coronary Care Unit (CCU)

All patients admitted to the Coronary Care Unit (CCU) with a suspected heart attack are closely observed on the unit for a few days.

The CCU is a mixed sex ward. Once the patient's condition is stable he or she is transferred to a ward.

Visiting

Most patients in the unit are acutely ill and need a lot of rest. Please adhere to the visiting times and keep telephone enquiries to a minimum.

Visitors are not normally allowed during meal times or during rest times. Only two visitors per bed please.

Visiting Times

- **2.00pm to 4.00pm**
- **6.00 pm to 8.00pm**

If these times are extremely difficult the nurse caring for your relative or friend may be able to arrange an alternative time for you.

Nursing Staff

A team of nurses have been allocated to care for your relative or friend.

One nurse in particular has the responsibility of caring for your relative or friend, but if he or she is not on duty another member of the team will take over.

The named nurse is

Please feel free to ask questions at any time. The nursing staff are more than willing to help.

Medical Staff

A senior doctor will visit each patient at least once per day in the morning. The nursing staff can arrange for you to speak with a senior doctor if you have any medical concerns.

Mobile Phones.

The use of mobile phones is not permitted in the CCU due to the amount of technical equipment. Please ensure all phones are switched off.

We would like to thank you for your co-operation in these matters.
