

## Patient information

# **Cycle of Domestic Abuse**

Emergency Care – Royal Liverpool Hospital

Contact information of local and national agencies dealing with Domestic violence and Abuse issues:

In an emergency please dial 999.

## **Referring Domestic Abuse:**

Where a patient indicates that they have been the subject of domestic abuse, staff are required to complete the Merseyside Risk Identification Tool (MeRIT) form with the patient. This form is used to make sure that staff refer patients to the most appropriate support service.

#### NB

If the patient does not want to be referred straight away, the support organisations listed below can be phoned directly by the patient after the leaving the hospital.

Most support services will help males and females unless otherwise specified.

#### **Feedback**

Your feedback is important to us and helps us influence care in the future.

Following your discharge from hospital or attendance at your outpatient appointment you will receive a text asking if you would recommend our service to others. Please take the time to text back, you will not be charged for the text and can opt out at any point. Your co-operation is greatly appreciated.
