# Breath Hold and Bear Down Swallow (Super - Supraglottic Swallow)

### Liverpool University Hospitals NHS Foundation Trust

**Nutrition and Dietetics** 

Aintree Site Lower Lane L9 7AL

**Tel**: 0151-525-5980

### What is the Breath Hold and Bear Down Swallow?

- It is a manoeuvre to help you swallow.
- Your speech and language therapist has assessed you and has selected this manoeuvre for you.

#### How does it help?

It helps food and drink go down the right way.

#### Instructions:

- 1. Breathe in
- 2. Hold your breath tightly in your throat
- 3. Put a small amount of food or drink into your mouth
- 4. Bear down (as if going to the toilet)
- 5. Swallow
- 6. Cough straight away

## How often do I need to use the Breath Hold and Bear Down Swallow?

Every time you swallow food or drink.

### How long do I use the technique for?

We recommend you use this technique until you have been seen by a Speech and Language Therapist for a repeat assessment.

#### If I have any queries who do I ask?

Please telephone the Speech and Language Therapy Department on Tel: (0151) 529 4986
